

LONDON WASPS Spring Coachclass

*Available to players from U7s – U14s the London Wasps Coachclass provides a comprehensive rugby experience to young players who want to spend their holidays in a quality, fun and rewarding environment. On the Coachclass you get:

- Hours of top quality coaching
- Access to London Wasps stars
 - Player Certificate
 - Photo Opportunities
- Chance to be rewarded through our Coachclass Awards
- Make new friends by interacting with players from different clubs

* If Coachclass Academy runs alongside a course (see overleaf) the age range will be U7s – U13s

“The booking process was straightforward and the cost was fair particularly considering the ratio of coaches to players. The coaching was excellent and we were impressed with the credentials of the coaching team. The organisation of the event was seamless. We would certainly come again and we will be recommending it to all of my son’s friends.”

Coachclass Parent – Beaconsfield October 2009

LONDON WASPS Spring CoacHclass Academy

Offering players from Under 14s through to Under 17s the opportunity to really develop their potential on a CoacHclass designed to help them reach the elite levels of the game. Taking the successful model of the CoacHclass program and developing it to include a more advanced training program combined with lectures based around elite level performance the CoacHclass Academy is the best course available for players with genuine aspirations of reaching a higher level. On the CoacHclass Academy you will receive:

- Advanced coaching techniques by some of the best coaches in the junior game
- Elite Player Development Pack with information on performance, psychology and feedback from your time with us
- Talented players will be identified and recommended to the Wasps Academy Manager
 - Informational lecture sessions designed to provide you with all the information you need to make it to the top of the game
 - Interaction with London Wasps players
 - Chance to be rewarded through our CoacHclass Awards
